GUESTROOM DRAPES

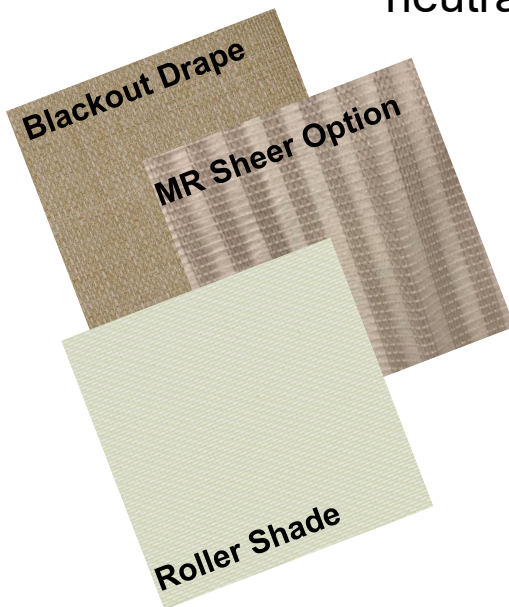

Simple and easy. Remodeling Residence Inn Guestrooms consists of a ripplefold seamless 4 pass blackout drape over a ripplefold seamless elegant neutral cream sheer. New builds have a roller shade under the blackout drape. ADA rooms get hoop batons. You can use a black H-Rail rod or keep rods in an existing cornice in remodels.

RESIDENCE INN PUBLIC SPACE WINDOW COVERINGS

In the meeting rooms a ripplefold seamless beige 4 pass blackout drape with a ripplefold seamless elegant neutral sheer or roller shades. Hung on commercial baton pull trac rods. Pretty much maintenance free! Automation is available.

All installed by our pro installers!
And the boss will always talk to you!

In the BOH, Guest Laundry, Media Pod, Lounge, Business Library, Breakfast Area and Stairwells we install white roller shades.
